Dear Year 11 Students and Families,

RE: Year 11 Easter revision timetable

Year 11 students should now be revising at home for their summer exams. In addition to the after-school sessions that are running, and to help our students prepare for a successful summer series of exams, we are running a full timetable of Easter revision classes.

Revising for the summer exams
You can find two pages on our website that are full of useful information and materials to support students. The first page focuses on revision for subjects and some advice on how to revise effectively. The second page contains information regarding the exams.

Year 11 Parents' Evening
The final Year 11 Parents' Evening of the year is Wednesday 18th March, where we will be discussing how to prepare for the final exams. You can book appointments here.

Should you have any questions regarding to the Easter revision timetable, progress in a specific subject area, or how you might be able to support your child's revision, please contact the Office (office@ryecollege.co.uk).

We look forward to seeing the students at Easter.

Yours sincerely,
