Sporting Success!

🏅 **Town Sports Success for Rye College!** 🏅🏃‍♀️

We are incredibly proud of our students from Years 8-11 who represented Rye College at the rescheduled Town Sports event at Ark Alexandra.

Students competed across a wide range of track and field events, with many stepping outside their comfort zones and trying something completely new. Whether it was taking part in their first long jump event or competing in anew race, their determination, resilience and willingness to challenge themselves was fantastic to see.

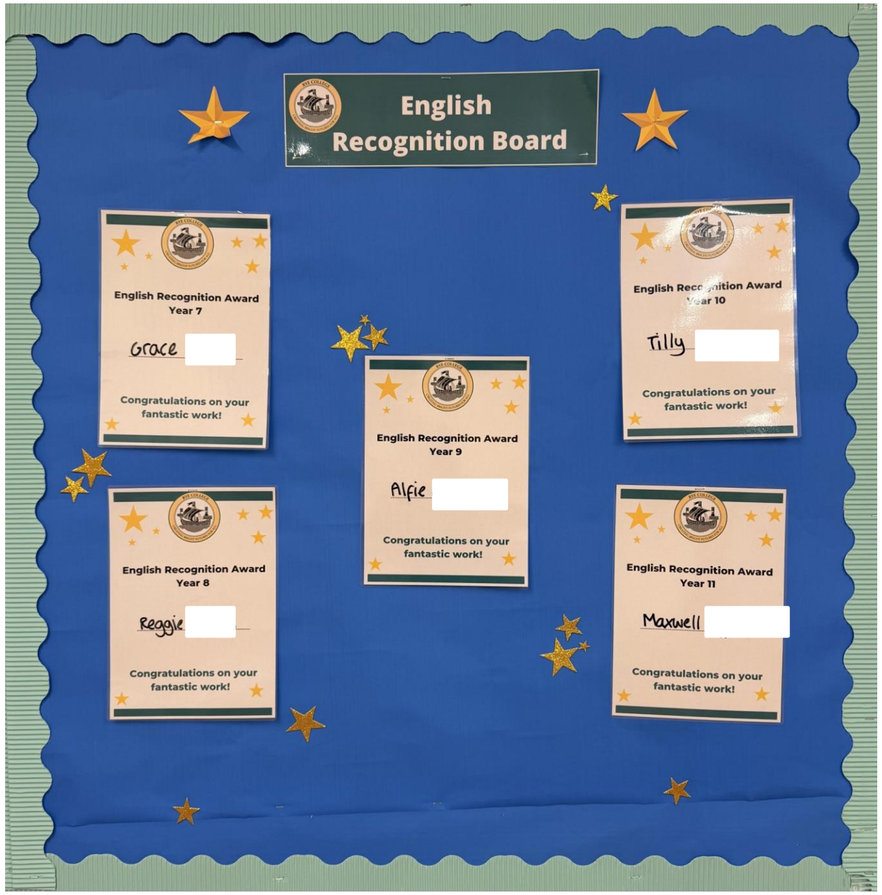

The team's efforts were rewarded with an impressive **25 individual medals and 2 relay team medals**, making it a hugely successful day for Rye College. (Although Miss Mitchell suspects there may have been one or two more medals that escaped the tally! 🏅😊)

Beyond the medals, what stood out most was the way our students supported one another throughout the day. They demonstrated our school values by being **kind, positive, proud, committed and employable**, showing outstanding teamwork, resilience and sportsmanship from start to finish.

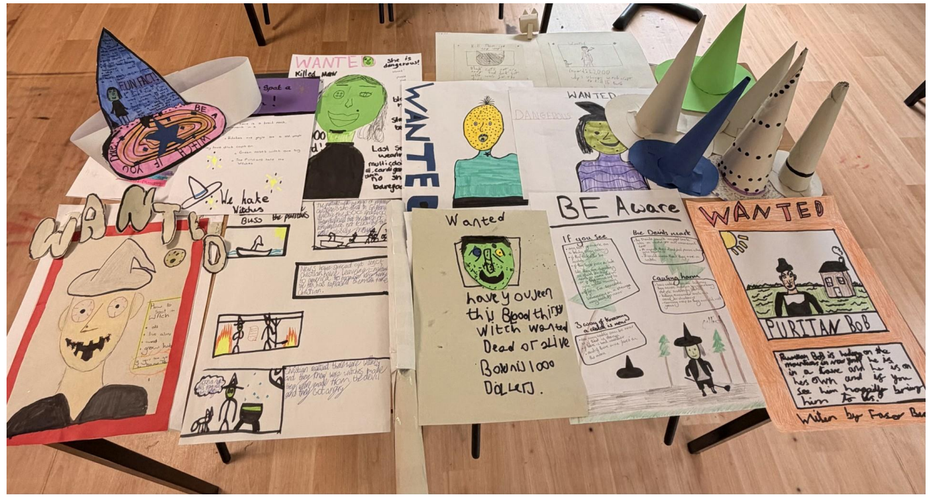

Huge congratulations to everyone who took part. You represented Rye College brilliantly and should be extremely proud of your achievements.

A big thank you to the incredible staff who supported the event and helped make it such a memorable experience for our students. 🌟
