Effective Revision Techniques

1.Create a revision timetable
Plan your study sessions and stick to the timetable
Set manageable goals and break it down into manageable chunks

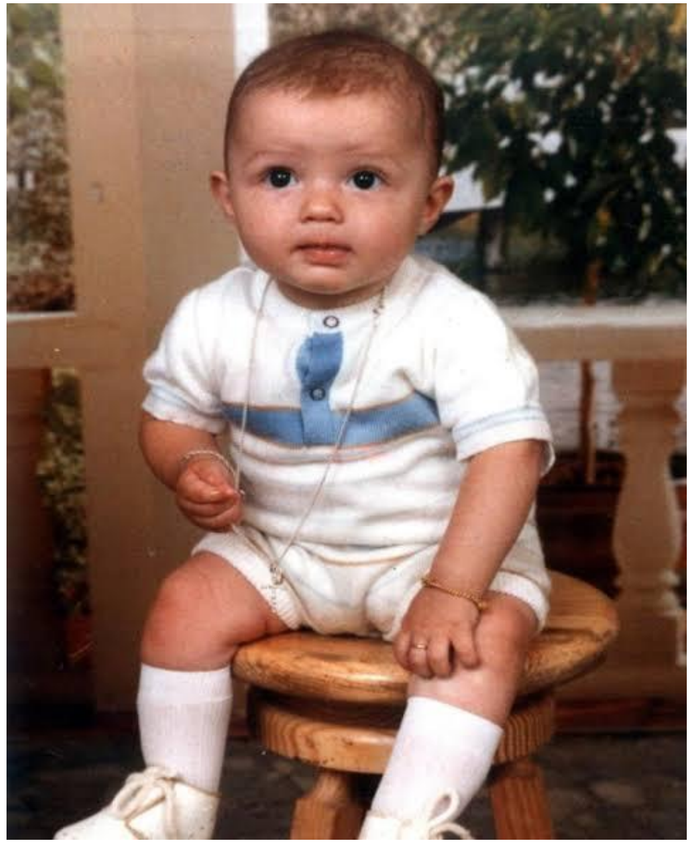

2. **Active learning**
Engage with the material through quizzes, flashcards, and teaching others.

3. Practice Papers
Familiarise yourself with exam formats and question types

4. Take regular breaks
Avoid burnout by taking short, frequent breaks

5. Stay Organised
Keep your notes and resources well – organised for easy access
