23rd March 2023

Enrichment Week June 26th – 30th 2023

Dear families,

We are busy finalising our plans for Enrichment Week June 26th – 30th 2023. Full details will be detailed in our enrichment booklet released later this month.

A range of enrichment activities, both here at school and local venues, will take place over the week.

On-site activities will be based around four pathways: STEM, Physical Education, Performance and Creative Arts. Students will be invited to choose two pathways for enriching activities across the week culminating in an events day Friday, 30th June.

Over the week, all students will have the opportunity to go on **at least one** off-site trip. The trips have been chosen to provide students with fun, exciting and rewarding activities that develop new skills.

Two off-site trips will take place each day on Monday, Tuesday and Wednesday to Go-Ape Bedgebury and Rye Water Sports. These trips will entail a range of activities led, co-ordinated and supervised by the venues' trained staff. College staff will attend and support our students through the day.

On Thursday, 29th June, 120 students from Years 7, 8 and 9 are offered the opportunity to visit Port Lympne Zoo. This trip will involve a tour of the wildlife park and the Dinosaur Forest. College staff will supervise the students throughout the day.

All trips include coach travel to and from Rye College.

| <u>Venue</u> | <u>Day</u> | <u>Year Groups</u> | <u>Activities</u> | <u>Total cost per child (PP)*</u> |
|------------------------------------|----------------------------------|--------------------|---|-----------------------------------|
| Go-Ape - Bedgebury | Monday, 26 th June | 7 | Team Games, Baboonzled and Treetop Adventure Plus | £42 (£17)* |
