Executive Headteacher: Mr Barry Blakelock
Headteacher: Mr Dom Downes

Dear families,

School Meal Price Increase

Please be advised that the cost of School Meals from our provider Chartwells has increased this term to £2.74. This has been driven by the economic impact of recent years and the unforeseen spike in inflation rates, causing increases in the cost of food supplies.

Chartwells have worked hard to offset some of the increases and have not taken the decision to increase school meal prices lightly, understanding the financial pressures faced by many of our families. They are proud to continue to offer one of the lowest meal prices in the South East and to offer our students a wide variety of healthy food options.

Please note this change does not affect those families who are eligible for Free School Meals. For more information about Free School Meals and for how to apply, please visit the following web page: [East Sussex County Council school meals information.](#)

If you have any questions please do not hesitate to get in touch via our School Office – office@ryecollege.co.uk.

Yours Sincerely,

Mr. D. Downes
Headteacher
