19th October 2022

Dear Year 11 families and students,

RE: Rye College 'Success at 16' Evening

We would like to confirm the details for our Year 11 'Success at 16' evening. This event will be held in the **English building** on **2nd November 2022** from **5:30pm – 7:00pm**. The aim of the evening is to provide students and families with information about post-16 education.

The evening will be set up in the style of a careers fair in the English building with post-16 providers and outside agencies present at individual stalls. Representatives will be able to answer your questions about courses, requirements, and applications, as well as providing you with prospectuses and information.

Whilst you are wandering around the fair, a presentation about what to expect for the remainder of year 11, study skills, the application process, grading etc will run on a loop on the screen. This presentation will also be emailed to you prior to the event and will be available on the website, with a voice-over by Mrs. Starkey. This should allow you time to view it and prepare any questions you might have. We have made the decision to provide the information virtually to maximise the time available to visit the fair and discuss any issues with Rye College staff.

The establishments listed below have confirmed that they will be attending:

- Plumpton College
- Bexhill College
- East Sussex College Group (Hastings, Eastbourne, Lewes)
- Homewood Sixth Form
- The Marsh Academy
- My Future Starts Here
- ASK Apprenticeships
- My Future Starts Here
- ARK Alexandra Sixth Form
- University of Brighton
- Rye College Enterprise Adviser
- Ashford College
- MPCT (Military Preparation College)

We are still awaiting confirmation from Hadlow College and DV8.

All college applications are processed via the East Sussex Careers Service eprospectus: <https://careerseastsussex.co.uk>. Students have already been given their log-in details and have begun to research their options and complete their personal profile. Information on how to use the system, and complete the personal profile can also be found in the [Careers section](#) of our website.

Students from previous years have found this to be an extremely informative and useful evening. It is also one that is unique to Rye College, as we bring so many providers to you, allowing you to compare them after visiting their open evenings. I hope that you are able to attend the 'Success at 16' evening, and we look forward to seeing you.

Yours Sincerely,

Mrs. D. Starkey
KS4 Learning Director
