September 2022

Dear families,

We would like to welcome you all back to a new academic year to the College.

We are delighted with the way our community have returned to the new academic year with enthusiasm. We have placed considerable emphasis on attendance, punctuality and uniform standards: this emphasis has had a noticeable impact on the calm, focused and deep learning that takes place in our lessons.

With this in mind, here are some reminders to help you support your child through this year.

Attendance

Please ensure that your child attends everyday and any medical appointments where possible are scheduled for outside the college day. If this is not possible please try to book them so your child can either leave school early or return after the appointment.

All absences should be reported to: studentabsence@ryecollege.co.uk

Please note: we do not authorise holidays taken during term times. If you are struggling to get your child to school, please email studentabsence@ryecollege.co.uk and we will endeavour to support you.
