Dear Year 11 students and families,

### **Half-term revision, term 6 masterclasses and exam breakfasts**

Year 11s have now completed the first two weeks of their final examinations. We would like to congratulate them all on their attitude and approach to the examinations. They have been exemplary.

#### Exam breakfasts

To help our students achieve their best this summer, **we will be holding optional revision sessions before every morning exam.** We have published an Exam Breakfast timetable, accompanying this letter, to let students know in which rooms these revision sessions will be held. All sessions start from 08:00. Hot food and drink will be available in the canteen for free. Snacks will also be provided in the revision rooms.

#### Half-term revision sessions

Over half-term, a number of subjects will be running revision sessions here at the school and on-line. Maths, Physical Education (both Sports Science and PE GCSE) and English Language will be running revision sessions as follows:

When the subject's examination programme has been finished, students will be provided with areas for revision or may leave the school site.

*In addition to the normal timetable, during term 6, we are running a bespoke revision masterclass timetable for Year 11 students. These masterclasses will provide opportunities for students to prepare for the subject examinations.*

**The masterclass timetable is attached with this letter.**

Please note that all Year 11 students attending masterclasses and exams in term 6 must be in their normal school uniform.

Finally, we congratulate our Year 11 students for their efforts so far and encourage them to continue with high standard they have set for themselves. Over half-term, please continue to revise but make sure to rest properly, exercise, take breaks, eat healthily, have fun and look after yourselves.
